The Early Ford V-8 Car Club of America was founded in San Leandro, California in 1963; our club recognizes all Ford Motor Company vehicles made between 1932 and 1953, including Ford, Lincoln, Mercury, commercial vehicles, tractors and other Ford powered vehicles built around the world utilizing the 4, 6, 8, and 12 cylinder engines produced by Ford Motor Company.

Today, as the Marquee Club of our represented vehicles, with membership of over 9,000 and 125 Regional Groups worldwide, we are dedicated to the restoration and preservation of all Ford Motor Company vehicles built between 1932 and 1953.

The club's award-winning, bi-monthly magazine, the V-8 Times, is circulated all over the world and is acclaimed as one of the best car club magazines anywhere. The V-8 Times features technical articles, shop tips, questions and answers by our panel of experts, nostalgia, club and regional group news, offerings of accessories and restoration manuals found nowhere else - plus classified ads for cars and parts. If you're not already a member, we invite you to Join Today and explore the works of the Early Ford V-8 Club of America
