## President's Message

We are baacck ...put around 7 thousand miles on that V10 Ford. The Jeeps steering got a little cranky along the way. When we went in 2014 the roads in the Yukon were terrible this year Alaska though it was a competition Yukon still wins by a frost heave. Interesting points, a RV park in Boston Bar BC had classic cars in about 3/4 of the slots. In the middle of nowhere BC at Meziadin Junction while topping the motor home off a model A in US Army Air Corp paint showed up on its way to TOK AK all the way from South Carolina. He did have a chase trailer for parts. Any Vet was allowed to sign the car.

Good to be back, drove the 40 to lunch can't remember when I had it out last. Look forward to seeing you all at the September meeting at Colina De Oro on the 7th

## Meeting Minutes Early Ford V8 Club

August 3, 2023, regular meeting was held at Colina de Oro. Vice President David Waddell again presided. President Dean and Secretary Patty were still on vacation. There were 15 regular members present.

Minutes from the previous meeting were approved as published in the newsletter. Treasurer Jo provided her report. Sunshine Judi is back from their trip to Arizona; she has been contacting members to check on their wellbeing. Art is recovering very well from knee replacement surgery. Kim had foot surgery and must keep weight off of it. Most everyone else is doing ok. Accessories Art has no action, but Jon and Kim do want to meet with him and order some things.

Old Business: The proposed recognition plaques for long time officers will be discussed in the future. No date has been set for the summer picnic yet. The Christmas party will be at the Forester in Camino on Dec. 9.

New Business: David suggested that maybe we should replace the Ladies' and Men's luncheons with impromptu togethers or cruises. To be discussed further.

Birthdays were acknowledged, no anniversaries this month.

Rex has been sending e-mails to keep members up to date on upcoming car shows.

The Saturday breakfast meeting was scheduled for 9:00 AM at the Train Station in Shingle Springs.

Dean and Patty are due back on August 15.
